

Challis School of Dance

SUMMER TERM DATES

Monday 19th April- Saturday 10th July

Half Term

Monday 24th May - Saturday 5th June

Congratulations

We have had lots to celebrate this term within the school. Charlotte Bandle passed her Advanced 2 tap exam, the highest possible exam, and Jessica Arnold passed her Advanced Foundation Ballet exam with distinction. Both are wonderful achievements and well deserved. Congratulations also go to Gwen, who is getting married in the Easter holidays, and to Charlotte who also got engaged in February. I am sure you will join me in wishing them all the happiness for the future.

Uniform

The uniform for the pre-primary and primary ballet classes has starting to change over to the new lilac. However you do not need to buy the new uniform unless your child has grown out of the white as the academy has agreed to allow children to wear the old colours until the end of the year for the exams.

Toilet trips

Please can you ensure that your child goes to the toilet before their class starts. We are wasting an increasing amount of time taking children and then leaving the class without a teacher or assistant.

E-billing and payment

We are trying out e-billing and internet banking to be more environmentally friendly and ensure bills can be paid on time. If you received your bill by email and are happy to not receive a paper copy in future, please email jenny to confirm this. Details for paying online below

Fees increase

Unfortunately due to rising overheads we have needed to increase the fees for the first time in two years. We have kept the increase to a minimum and maintained a £5 early bird discount if you pay before the end of term. If you have problems paying your bill please contact Jenny so we can come to some arrangement.
